

## Curriculum Vitae: S.Jarmer- My Canine

I first got in contact with Cocker Spaniels. I trained my dogs for hunting and showed them also on many shows. After several years I became a judge of Spaniels, then for the entire FCI group VIII. This was in 1980. Then I fall in love with Labradors and since then I worked and hunted with these lovely dogs. Now I am approved to judge FCI- groups IV, VI, VII, VIII and many breeds of group II. I have had the honor to judge on many shows in several countries, especially on World Dog Shows and European Section Shows.

I am the president of the Austrian Retriever Club and I am the one who takes care of the public relations for Retrievers in Austria.
